Jass Two Plus One Performances in the Portland, Oregon area

- We do performances of all kinds, including shows, concerts, dance bands, background music, public and private events.
- We can do "strolling" which is totally acoustic (without amplification) and mobile.
- The band usually plays as a 3-piece unit. Our dance band format adds a drummer and other instruments, usually totaling 5 or 6 musicians.

"It's Showtime"

- Our show "JASS MUSIC: THE CORRUPTION OF YOUTH" is a combination of Hot and Swing Jazz of the 1920s and '30s put in a framework of comedy, light history, famous characters, and events of the era. It's usually done in 45-minute sets. It is suitable for family audiences.
- We wear vintage stage wear to make the point. Our favorite gear is double-breasted "gangster suits" with Panama hats.
- We transport the audience into one of history's most romantic and adventurous times.
- We compare prices in the Twenties: You can buy a new Ford for \$700 while you're visiting!"
- Our show requires only standard live music setup

Our booking desk is open most days, so go ahead!

A Word from Steve

Many bookings are made two or more months before the event. We are sometimes available on short notice. Every event has different requirements, and several elements which determine the cost.

OUR MISSION:

Jass Two Plus One brings you the romance and adventure of 1920's and 1930's Jazz. It was a vibrant, robust, naughty new music people first called "Jass" and later "Jazz".
